

# High Fives!

For those who go the extra mile!

Kathy Hart went out of her way literally and figuratively, to get a large poster laminated on short notice for Farm Tech Days.... and she was really nice about it! Thanks Kathy! *Nancy Schneider*

We would like to give a special thank you to Kevin and his Parks Department crew for making the Medical Examiner indigent mausoleum project happen! The crew spent hours carefully digging through the dirt and then driving individual batches of concrete up to the site due to land constraints. Thank you for your hard work! Potter's Field is going to be an even more beautiful historic place to visit once this project is complete. *Nichol T, Nancy L, Joe S*
